## Zip Me Up Good "Gus"

"Gus" is bred to be a Western Pleasure horse, and was in training for the 2007 IBHA Western Pleasure Futurity. Due to an injury he was unable to compete, so we just put a halter on and led him in to the 3 Year Old Stallions class, with GREAT results! After two years of rehab, he is back in training and will be shown in western pleasure 2010.

His breeding is impeccable! His sire, Slightly Zipped is a son of Zippo Pine Bar was a multiple world champion in Western Pleasure. His dam, Good Ending is a daughter of Zippo Mr. Good Bar out of an Investor bred mare. She also was a multiple world champion in Western Pleasure.

Gus's first colt crop of three duns arrived in 2009. Out of this limited group, he as produced Open, IBHA and Futurity class winners and Futurity money earners. Watch for KR Invest In Gus, owned by Kristen Geyer of Marais Des Cygnes Performance Horses; KR All Gussied Up, owned by Aaron, Liz & Mia Kalmer and KR Exquisitely Good, owned by Kalmer Quarter Horses in the show pen in 2010.

Gus has the best temperament of any stallion I've been around and most people think he's a gelding at the shows. Gus will be standing to a limited number of approved mares during the 2010 Season.
